

Round Robin

MR. MULHOLLAND'S UPDATE

And so we reach the end of another week at Mildmay. We hope you found the early parents' evening this year to be reassuring in terms of how your child has settled in to the new year.

Year six spent the latter half of this week undertaking their first round of SATs practice tests so we have a baseline for improvement through the year. All the other years have been mightily busy too and if you follow our Instagram account, you'll see some of the learning in action. Puffin 2, for instance, are getting to grips with 'Greater Than $>$ ' and 'Less Than $<$ ' while shopping.

This week saw some of our very responsible citizens pointing out that we can't be a nut free school if we allow the squirrels to bury nuts for winter. While I do have some influence, I think I might have to draw the line at changing natural squirrel behaviour. Can you please help by advising children who are concerned about such things to avoid buried nuts - I'm sure they wouldn't like to see squirrels go hungry this winter.

And finally... we are still looking for a second Swim Instructor to support our Year 6 sessions on a Monday afternoon. If you (or someone you know) would be interested and have the necessary qualifications, we would LOVE to hear from you - Year 6 would be immensely grateful for more pool-time each, too.

RIVER WALK - YEAR 4

On Thursday the intrepid Year 4 Team went for a walk along the River Chelmer to look for river features and uses that they have been learning about in Geography.

It was a fantastic day with lots of learning and wonderful attitudes and behaviour from everyone!
