

Round Robin

MR. MULHOLLAND'S UPDATE

October is well and truly with us and perhaps we're finally starting to see some Autumn weather. There's still plenty going on at Mildmay though.

Earlier this week, an intrepid team of Year 5/6 pupils went to take part in a Tag Rugby Tournament against a host of other Chelmsford Schools. We didn't bring home medals, but the children who took part were all winners in our eyes - they loved representing the school and did us proud throughout the competition. Well done #TeamMildmay

I was excited to hear about Declan's horticultural success. In year 3, he attended the RHS Hyde Hall trip and was given a single sunflower seed to plant. He's been carefully watering it throughout the hot summer and just look at the result. That is an incredible specimen, Declan!

Hopefully, you have received an invite to join in with our annual Pumpkin Carving Competition this year. It's a family event (so the little ones can be involved) and doesn't have to be Halloween themed if you don't approve. Enjoy getting creative together and bring your creations to school on 21st October.

And finally...it was great to finally be able to give the House Cup to Owl House this week. That now means that all 3 Houses have received the trophy this school year and we can look forward to a healthy competition for the rest of the year. Have a great weekend everyone.

HELLO YELLOW!

Once again we've enjoyed supporting the 'Young Minds' Hello Yellow Day and thinking about our own mental wellbeing and emotions.

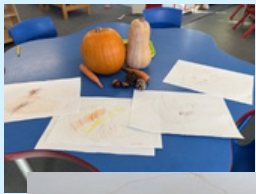

I've also heard great things about how Archer (P2) has been supporting his parents with '24 Eleven' who work to create work-experience opportunities for young people with SEND. Great work Archer!

HOUSE CUP

**2614 POINTS
WINNER**

LITTLE ROBINS NURSERY

This week we have been exploring autumn vegetables. The children have been taking on the task of still life drawing and have produced some wonderful pumpkin pictures.
